NINETEEN TWENTY-NINE

EVERY SAILOR in the crew feels that at least one page in this, our log of the 1927-28 voyage, should be dedicated to the Admirals, to show our appreciation of their great help as directors and pilots of our bark.

We owe the success of this year's voyage to those experienced pilots, who know every reef surrounding every port of learning, and who, in charge of the helm, have once more returned us safely to the home port after another struggle upon the high seas of education.

To the Faculty, our Admirals, we gratefully dedicate this page in our log.

THE MURMURMONTIS

Alma Mater

Alma Mater of the Mountains, West Virginia Wesleyan.
At thy magic mystic fountains noblest dreams of life began.
We, thy children, bow before thee;
We, thy children, now adore thee,
And pledge God, Who watches o'er thee,
Thou shalt fill the ample measures of His plan.

Alma Mater, Queen of Learning, of the Orange and the Black.
At thy call to wisdom nought of worth thy sons shall lack.
For the teaching of thy sages,
With the writ of sacred pages,
Shall transmit the wealth of ages,
Down the future's ever-wider, brighter track.

Alma Mater of the Highlands, guardian of romantic years,
Thou dost bring us to the skylands, with thy faith dispel our fears.
Give us friendship waning never,
And a call to high endeavor,
And companionship forever,
With the God who guides the courses of the spheres.

Alma Mater of the Mountains, West Virginia Wesleyan.
At thy magic mystic fountains noblest dreams of life began.
We, thy children, bow before thee;
We, thy children, now adore thee,
And pledge God, Who watches o'er thee,
Thou shalt fill the ample measures of His plan.

THE MURMURMONTIS

WILLIAM E. CANTERBURY, A.B.
PAX, WEST VIRGINIA

Alpha Gamma Phi, Editor of *Pharos*, '27, '28; President Senior Class, Inter-Fraternity Council, '27, '28; Football, '27, '28; Assistant Business Manager *Murmurmontis*, '26, '27.

"A strong man—

For where he fixed his heart, he set his hand,

To do the thing he willed, and bore it through."

"Bill" came to Wesleyan from New River State to continue his work as a Junior. He has rendered splendid service as Editor of the *Pharos*, in which capacity he has been untiring and faithful. He has always been true to himself, true to his friends, and true to his duty—What more can be said of any man?

ELEANOR REPPERT, A.B., B.Mus.
BUCKHANNON, WEST VA.

Kappa Phi Omega, President Inter-Fraternity Association, '27, '28; President Haught Club, '26, '27; Vice-President Senior Class, Student Council Secretary, '26, '27; *Pharos* Board of Control, Assistant Editor *Murmurmontis*, '26, '27; Assistant Editor Student Handbook, '27; Y. W. C. A. Cabinet, '26, '27.

"Brilliant intellect, ready wit, pleasing personality, and everything combined—That is Eleanor."

What shall we do without you? You are a born leader—jolly disposition, ready for anything—and yet—a student. You are filled to the brim with the best kind of personality, and such talent! You play with a touch that would subdue the wildest spirit. Eleanor, we wish you the greatest success that life can offer and as you leave Wesleyan, the vacancy you make can never be filled.

NINETEEN TWENTY-NINE

HARRIETTE VIRGINIA WEST, B.S.
BUCKHANNON, WEST VA

Chi Kappa Alpha, Secretary Inter-Fraternity Council, '26, '27, Secretary Benzene Ring '26, '27, '28, Vice-President Girls' Athletic Association, '27, '28, President Y. W. U. A., '27, '28, Treasurer Senior Class, Intra-Mural Basketball.

"The secret of success is nothing more than doing what you can do well, and doing whatever you do without a thought of fame."

"Diz" is the kind of a girl you know can do the thing which can't be done if it is necessary. The kind that could "Carry a Message to Garcia." She belongs to the select few of Wesleyan's women graduates who (according to rumors) will not make use of the many hours of Education which are necessary for teachers. Anyway, whatever she does, she will make a success of it.

DAVID F. GROVES, A.B.
DUEPWEEL, WEST VIRGINIA

Alpha Gamma Phi, Kappa Lambda Sigma Treasurer, '27, Secretary, '28, Winner Christo Oratorical Cup, '25, Pharos Staff, '25, Pharos Board of Control, Assistant Business Manager Murmurmonitis, '27, '28, Commerce Club, Benzene Ring, Freshman Initiation Board.

"High erected thoughts seated in the heart of courtesy"

A man of nobler caliber in whose presence one is touched by a spirit of good comradeship, and a pleasing personality which has a lasting quality. His genial disposition, dependability, and sense of humor are some of his outstanding characteristics. Anyone so genuine, so interested in, and thoughtful of others is sure to succeed. The world expects a great deal from college graduates, but we are sure that "Dave" will fulfill all expectations.

THE MURMURMONTIS

FRANK B. HUTCHINSON, A.B.
PHILIPPI, WEST VA.

Alpha Gamma Phi, President Student Council, Wesleyan Players, Forensic Association, Kappa Lambda Sigma, Student Council, '25, '26, '27, Business Manager Murmurmontis, '27, Business Manager Pharos, '26, '27, Manager Football Program, Student Speaking Tours, Debate Team '25, '26, '27, Winner State Oratorical Contest, Pharos Board of Control, Inter-Fraternity Council.

"He's brilliant, clever, of a rare turn of mind."

"You'll have to look far to find one of his kind."

"Hutch" is president of the Student Council, but he's a good fellow "for a" that." He has proved himself alert, loyal and efficient. He has been an active member in the Wesleyan Players. Besides his power of oratory and numerous other talents, he is a versatile college man and a true friend. The real test of a man is not what he seems, but what he does. The entire college will feel a loss when he is gone.

HELEN M. PINNEY, B.S.
CHARLESTON, WEST VA.

Chi Kappa Alpha, Vice-President Benzene Ring, '27, '28, Haught Club, Student Council Secretary, '28, Assistant Instructor in Chemistry, Y. W. C. A. Cabinet, '26, '27, '28, Murmurmontis Staff, '27, Excelsior, Student Government Secretary, '26, '27.

"For her heart was in her work, and the heart giveth grace to every act."

The secret of Helen's success in art as well as in Chemistry is that she puts her heart into whatever she does. She has spent most of her time in the Chemistry Lab., but she has always found time to paint posters for many occasions. We are sorry to lose our artist and friend, but we would not be so selfish as to keep her in Wesleyan forever.

Handwritten notes and signatures in the bottom right corner, including the name "Hutchinson" and other illegible text.

NINETEEN TWENTY-NINE

FRED B. HAUGHT, A.B.
BUCKHANNON, WEST VA.

Chi Alpha Tau, President Junior Class, '27; Vice-President Sophomore Class, '26; Student Council, '27, '28; Pharos Staff, '26; Editor Murmurmontis '28; Debate Team, '27, '28; Tennis Team, '25, '26, '27, '28; Winner Third Annual Varsity Singles; Student Speaking Tour; Wesleyan Players; President Philosophy Club, '28.

*"Rare compound of quality noble and true,
With plenty of sense and good humor too"*

Fred is, without a doubt, one of the most admired and respected men in the student body. It is enough simply to call attention to the many honors that have come to him, and the positions of trust which he has held. He has rendered splendid service in practically every phase of college life—as the above list will show. The students join in wishing him every success.

MARY MARTHA MCINTIRE
PARKERSBURG, WEST VA.

Sigma Delta Chi, Christo, Y. W. C. A.; Haught Literary Club

*"An intellect of highest worth,
A heart of purest gold"*

Martha is another of Wesleyan's efficient girls whom we will miss in many activities, but that is not all. She has taken an active part in many school activities, but she has also made a great many friends by her good sportsmanship, and attractive personality.

THE MURMURMONTIS

CHARLES HENRY ATKINSON, A.B.
CLARKSBURG, WEST VA.

Glee Club, Class Treasurer, '24-'25, Y. M. C. A. Manager, Minor League Basketball '28, Advertising Manager, Glee Club.

"There's always a jolly word, and always a cheery smile."

Did anyone ever see Charlie without his smile? No matter how gloomy a subject may be under discussion, he always seems to find some phase of it to be optimistic about. His friendly personality is one of his outstanding qualities, resulting in many friends. We wish him a continuance through life of the successes which have been his in college.

A. BLANCHE ROBINSON, A.B.
CLARKSBURG, WEST VA.

Girls Glee Club Secretary, '27-'28, Murmurmontis Staff, '27.

"A girl who is mild, merciful, strong, good, patient, peaceful, loyal and pure."

Blanche is not the kind of a girl who seeks praise or courts applause, she is just Blanche, always a friend, and a delightful companion. She has that precious quality of friendship that is so desirable.

NINETEEN TWENTY-NINE

EUNICE MARIE KYLE, A.B.

BUCKHANNON, WEST VA.

President Girls' Glee Club, Philosophy Club,
Chresto

*"The soul of music slumbers in the shell,
Till wak'd and kindled by the master's
spell."*

Although Eunice is not so well known among the students, she is famous for her musical talent. Eunice also likes athletics. We wish her the greatest success, and wish she could have been with us longer.

GEORGE C. LAZENBY, B.S.

COVINGTON, VIRGINIA

Alpha Gamma Phi, Benzene Ring President, '27,
'28; Kappa Lambda Sigma, Y. M. C. A., Chem-
istry Instructor, Philosophy Club.

"A future aglow of possibilities."

George is well liked because of his friendly personality. He has made a host of friends during his four years at Weslevan. In his pursuit of a knowledge of Chemistry he distinguished himself by obtaining the position of instructor in that subject. This shows that he likes his work, as well as being efficient in it. We are sincerely glad to have had George as a Weslevanite and friend.

THE MURMURMONTIS

ANNIS MERIE ROSS, A.B.
BUCKHANNON, WEST VA.

Sigma Delta Chi; Wesleyan Players; President Girls' Athletic Association; Y. W. C. A.; Inter-Fraternity Council.

"A friend may well be recorded as the masterpiece of the ages."

You would never dream to look at this dainty maiden that she is someone to be counted on where any kind of sports are concerned. She is as artistic in appearance as in ability—witty, and appreciative of the humor of others.

THOMAS ANDERSON JONES, B.S.
EAST BANK, WEST VA.

Alpha Gamma Phi; Wesleyan Players; President '27, '28; Benzene Ring; Manager Football.

"A man of deeds not words, we find; Alas, not many of his kind."

"Tom" has attained the high esteem of his fellow students, and always received high marks from his professors. He has starred in college plays, class work, and as manager of the football team. The past two years he has been assistant in the Chemistry laboratory. His graduation will leave a big place to be filled in the ranks of Wesleyan and also in the hearts of his fellow students.

NINETEEN TWENTY-NINE

GERTRUDE M. PETERSON, B.S.
CLARKSBURG, WEST VA
Y. W. C. A.

*"Cheerful people live longer on the earth,
and in our memories."*

Gertrude came to Wesleyan to complete her college course from Beech Wood College. Since we have known her, we have come to regret the fact that she did not spend the other three years with us, but we are pretty lucky to have her for one year. May she always have the best of fortunes, and the greatest happiness.

DANIEL TOWLER WESTFALL, A.B.
PITTSBURGH, PENNSYLVANIA

Cheer Leader, '23, '24, '25, '26, '27, '28, Tennis,
'23, '24, '25, '27, '28.

*"The kindest man,
The best conditioned and unwearyed
spirit,
In doing courtesies."*

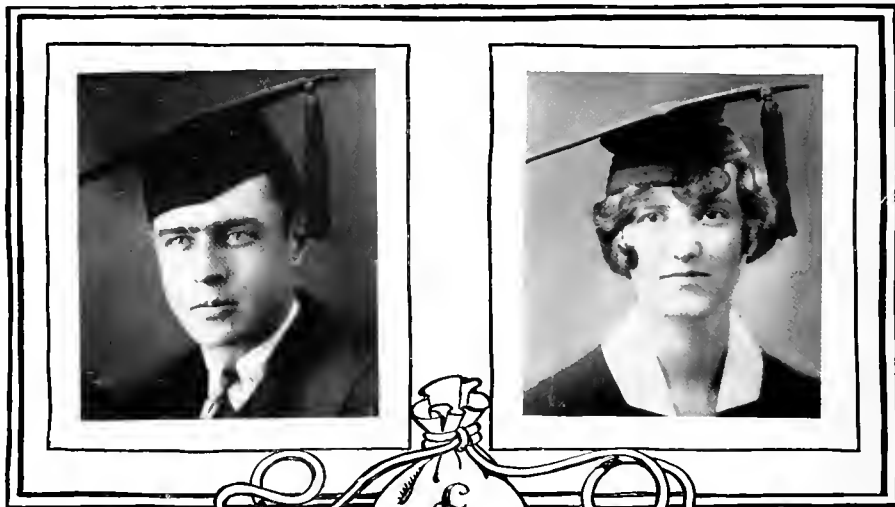

"Dink" came to our campus as a "1-residue" and did not return the following year, but went to Pitt. Then he must have decided that Wesleyan was the better college as he came back to complete his work. We welcomed him back, needless to say, because there is no way of thinking of Wesleyan and good times without associating "Dink" with it.

To write of "Dink" without mentioning his tennis ability would be like writing history without dates. He has been on the team for four years and was captain last year. He also rendered splendid service as cheer leader. We wish him all the success in the world.

*Just don't forget
"Gert"*

THE MURMURMONTIS

AUGUSTUS RITZINGER, A.B.
BUCKHANNON, WEST VA

Sigma Eta Delta; Glee Club; Y. M. C. A.,
Chresto; Commerce Club; Winner Non-Varsity
Singles; '25; Varsity Tennis; '27.

*"Think the best of everybody
Make the best of everything,
Hope the best for yourself"*

"Gus" has made a name for himself on the tennis team and in the Glee Club, but he is not so well known among the student body because he is very quiet. We prophesy a very bright future for him for we know that he has the qualities which are necessary to success.

VIRGINIA CAUDY, A.B.
WESTON, WEST VA

Kappa Phi Omega; Y. W. C. A.; Haught Club
Secretary; '26; Girls' Athletic Association; '25,
'26; Varsity Basketball; '25, '26; Student Govern-
ment; '25; Class Treasurer; '25, '26; Fresh-
man Initiation Board.

*"A pretty girl, a witty girl,
A girl so full of fun;
A brainy girl, a carefree girl,
A thousand girls in one."*

"Caudy's" vivacity and her unusual type of beauty pictures her as a lady fair among chivalrous knights. She has taken part in many activities and will always be remembered as a friend and a pal.

NINETEEN TWENTY-NINE

CHRISTINE M. MAXWELL, A.B.

LOST CREEK, WEST VA

Kappa Phi Omega

*"Did you ever hear of the Femme
du monde!?"*

The above phrase is characteristic of Christine. It is impossible to imagine a situation where she would not know how to do exactly the right thing. Success for her is a certainty.

FRANK M. SIGALOOSE, AB

MOUNDSVILLE, WEST VA

Chi Alpha Tau; Tennis, '26, '27; Benzene Ring,
Excelsior; Intra-Mural Basketball.

*"A fellow feeling makes one
wonderous kind."*

If one wants friends, he must first be a friend himself. "Siggie" has proved to his fellowmen that he is true to this sacred profession. We predict that his life will be eminently successful, and that the world will be better for his having lived.

THE MURMURMONTIS

MARY GIBSON, B.S.
KINGWOOD, WEST VA.

Chi Kappa Alpha; Y. W. C. A.; Haight Club,
Inter-Fraternity Council, Expression Graduate, '27

*"Our grand business is not to see what
lies dimly at a distance, but to do what
lies closely at hand"*

Mary is a capable girl. She has been graduated in Expression and is majoring in Home Economics. We do not know her future but we wish her success and happiness as she leaves Wesleyan.

FRANK LEWIS WELTON, A.B.
PORT JERVIS, NEW YORK

Alpha Gamma Phi, Glee Club, '24-'25; Chresto-
Excelsior, Y. M. C. A.

*"Life is but a span,
I'll enjoy every inch of it."*

From New York hails this jolly youth, bringing with him a pleasing personality and a lovable disposition. Frank is liked by everyone who knows him. In his heart is the love of music and his pleasing tenor has graced many a sweet rhapsody of song. We will miss him when good fellows get together.

NINETEEN TWENTY-NINE

BURL YOUNG, A.B.
BUCKHANNON, WEST VA.

Sigma Eta Delta; Y. M. C. A.; Football, '25.
Intra-Mural Basketball, Excelsior.

"Quietness is an indication of ability to think."

Burl is a quiet, unassuming young man who believes in doing things without so much discussion, but in silent thought. Because of this admirable virtue, life will undoubtedly be a success for him. His quietness has limited his acquaintance, but those who know him, admire him.

MARY FRANCES SMITH, A.B.
BUCKHANNON, WEST VA.

Sigma Pi Delta

*"Her life has no day misspent.
No hour without some deed of kindness done."*

We know that Mary has a pleasant disposition from the cheery smile she always wears. She is indeed a beautiful character, giving pleasure to all.

THE MURMURMONTIS

HELEN PRIEST JONES, A.B.
BUCHANAN, WEST VA

Chi Kappa Alpha.

"Sweetest, peppiest, gayest—I be superlative of everything imaginable."

How shall we analyze Helen? She is a student? Yes, in every sense of the word. She is capable? Most certainly. Charming? Yes indeed. The least we can say is that we are proud of her.

WILBUR A. REITER, A.B.
DAYTON, OHIO

Chi Alpha Tau. Football, '24, '25, '26, '27.
Basketball, '24, '25. Baseball, '25.

*"Work, study, live and love.
But the greatest of these is love."*

"Peck", as he is better known by his fellow students, has brought himself to the front in athletics since he entered Wesleyan. He is a persistent worker, and is liked by everyone. Not only will the football team suffer from his graduation, but he will also be missed by everyone who knew him.

NINETEEN TWENTY-NINE

LILLIAN WESTFALL, A.B.

Buckhannon, West Va

Benzene Ring, Y. W. C. A.

"Build for character, not for fame"

Lillian has a camouflage of a quiet, exclusive manner, which encloses the real individual. She has a good word and a friendly smile for everyone, and we are sure that life holds happiness for her.

SMITH WARD, A.B.

Norga, West Va

Chi Alpha Tau, Benzene Ring, Commerce Club,
Christa-Uscebsior, Y. W. C. A.

"None but himself can be himself"

The saying of the sages, "Still waters run deep," can be applied to Smith. He is quiet and unassuming. But as the quoted line indicates, there is much "goodly substance" to this fellow and his perseverance in his work proclaims that he has a brilliant future awaiting him.

THE MURMURMONTIS

ARTHUR H. SIMONS, A.B.
DETROIT, MICHIGAN

Alpha Gamma Phi, President of Class, '24-'25, Kappa Lambda Sigma, President, Student Council, '25-'26, '27, Basketball Manager, '28, Director Intra-Mural Athletics, '28-'29, '27, Benzene Ring, Y. M. C. A., Philosophy Club.

"He who is to lead men must himself be a man."

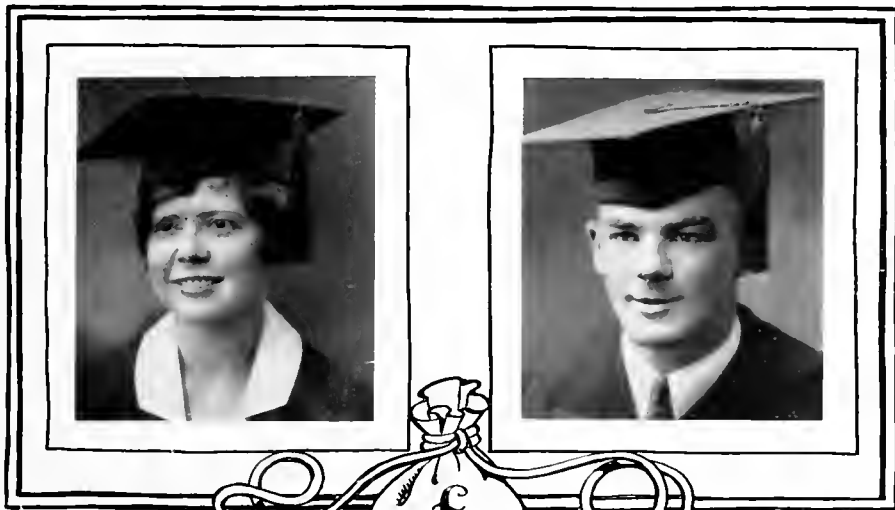

"Art" has shown all-around executive ability in a long list of responsible positions he has held while in Wesleyan. He has worked himself up to the position of Physical Education Instructor. He has not only cultivated the physical side of his life, but has also been a leading student among us. During the four years "Art" has been here, he has shown himself to be a loyal friend, a gentleman, a powerful force in student activities and a student of no mean ability. Is there any need to say more?

MYRTLE GOULD, A.B.
BUCKHANNON, WEST VA.
Y. W. C. A.

"She has a knowledge of both people and books."

Her keen mind and her friendly smile will be pass keys to success in after life, as they have been in her work in the Home Economics Department. She has always proved a friend in need, and we wish to pay our respects to her by wishing her the best that life can offer.

NINETEEN TWENTY-NINE

EMMA JANE ROBEY, A B
MANNINGTON, WEST VA

"Character is a perfectly educated will."

Emma Jane has made a place in our hearts although she has only been with us during her last year. We have learned to love and respect her quiet ways and ready smile. What life may hold for her we do not know, but we are sure that it will be kind to one so deserving.

ROBERT HALL, A B

"No sinner, no saint perhaps, but—well, the very best of chaps."

"Bob", like several other Wesleyan fellows, discovered that "It is not well for man to live alone." He and his saxophone have found an important place in the local orchestra. The best wishes of every one go with him in whatever he may undertake.

THE MURMURMONTIS

THE HAPPIEST days of every student or sailor's life are spent as carefree Sophomores or boisterous midshipmen. Now that this year and this voyage are rapidly drawing to a close, every Sophomore and midshipman realizes that the new year and voyage means new responsibilities requiring a more settled and steady disposition of the duties which fall to everyone. There will of course be many more happy days, but a new dignity will prevail. A dignity altogether fitting for the offices to be held by next year's first mates on board that stout vessel known as "Wesleyan" which will put out to sea next Fall.

THE GONG sounds and the watch is over. The crew is assembled between watches, "All hands on deck!" to receive the rewards of the voyage. The Seniors as the captains turn over the control of the ship to their successors, the Juniors, who are no longer first mates, but captains. The midshipmen or Sophomores are now first mates, and the recruits, through their able performance on the last voyage, by the recommendation of the Faculty as the Board of Admirals, are now promoted to the rank of midshipmen, and are now ready to help train the next load of recruits.

There is a quiet pause after the bestowing of honors, during which every mind turns with pleasurable memories to the 1927-28 voyage of the good ship "Wesleyan", and after a shore leave of three months we shall all return to pilot the good old vessel on another voyage through the seven seas of education on another trip to the ports of learning.

WEST VIRGINIA WESLEYAN BOBCATS 1927

NINETEEN TWENTY-NINE

The 1927 Football Season

The West Virginia Wesleyan football season of 1927, although not classed as highly successful, was far from being disastrous, for the Bobcats faced the greatest array of football teams a Methodist eleven has played for many seasons. West Virginia University, New York University, Boston College, Davis and Elkins, The Navy, and St. Xavier defeated the Bobcats, while victories over Salem, Broadus and Marshall, and a tie with Waynesburg graced the ledger.

The following summary of the schedule shows the formidable array which faced the Bobcats upon entering the 1927 season:

Wesleyan	7—West Virginia U.	27
Wesleyan	13—New York U.	20
Wesleyan	7—Salem	0
Wesleyan	6—Waynesburg	0
Wesleyan	0—Boston College	33
Wesleyan	7—Davis and Elkins	13
Wesleyan	0—Navy	26
Wesleyan	58—Broadus	0
Wesleyan	6—St. Xavier	41
Wesleyan	19—Marshall	0

Coach Cebe Ross called his candidates together on August 27th for a two weeks training period. A wealth of material left over from the 1926 squad and a likely group of first year men brought a total of forty men to camp.

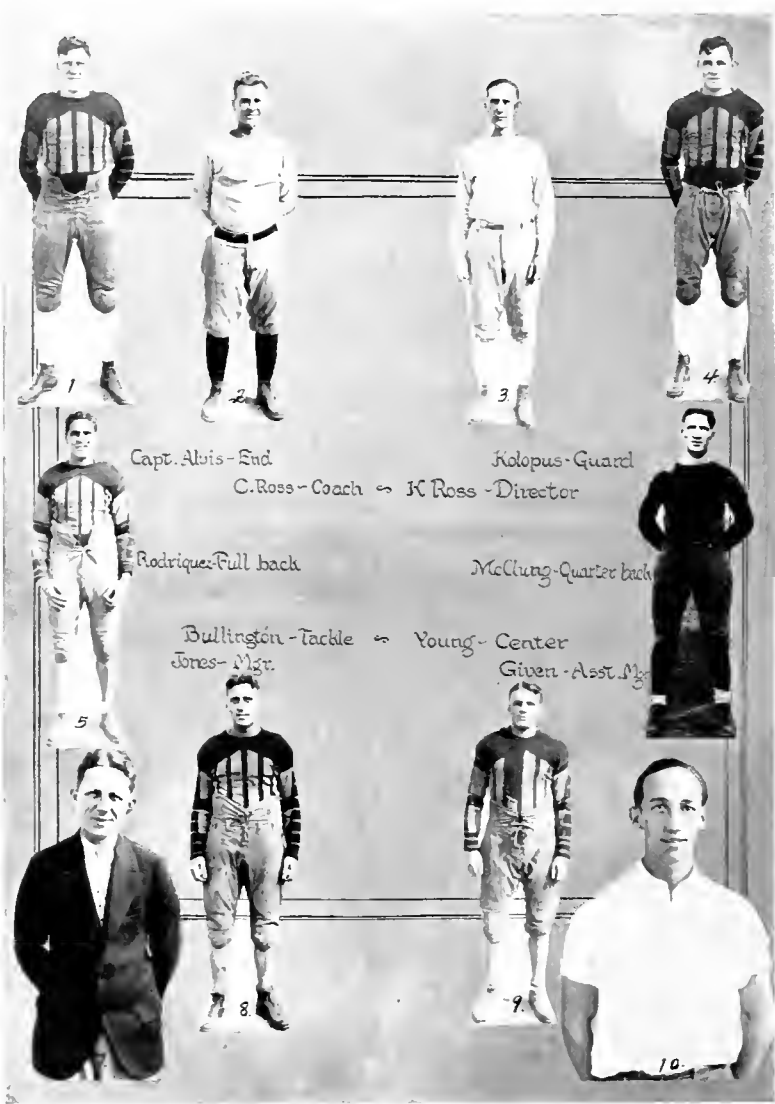

Led by Captain Dick Mavis and surrounded by Reiter, Bachtel, Canterbury, Bullington, Nutter, Marsh, Rader, Reemsnyder, Pugh, O. Young, N. Anderson, W. Anderson, Miller, Davis, McClung, Roderiguez, Hurd, and Kolopus, and augmented by some star high school performers, the 1927 season was looked on with a great deal of high hopes.

The first game of the year was with the old and time-honored foe from West Virginia University. The Bobcats rated an even chance to stop the Mountaineers, but failed to live up to early predictions and went down to defeat 27 to 7 in a game that thrilled thousands of spectators who filled the stadium for the contest.

A long jump into the east, to oppose New York University was the next Wesleyan attraction. Playing beneath a scorching sun, the Bobcats played havoc with the Purple, leading at the half 13 to 10; but the reserve strength of the New Yorkers

took toll in the last two periods to eke out a victory 29 to 13, only after they had subdued a team that fought to the very last second of play.

An intercepted pass on the thirty yard line for a touchdown and Kolopus' place kick gained a one point victory over Salem in the first win of the year.

Wesleyan earned a 6 to 6 tie with the Waynesburg Yellow Jackets when "Peek" Reiter intercepted a pass on the 20 yard line and raced 80 yards for the touchdown that tied the score in the last three minutes of play.

Another jump into the East and another defeat. Boston College, flying like the eagle of their emblem, pushed over five touchdowns and the Bobcats returned loser by a 33 to 0 score.

The ancient rival from Elkins came next. Wesleyan journeyed to that city and there fell 13 to 7 in one of the greatest games ever played on the gridiron. Dame Luck smiled on the Hurricane late in the game to turn the tide to victory.

Next came the strong Navy team, undoubtedly one of the strongest teams in the East. Wesleyan fought gamely, but was defeated 26 to 0.

The overwhelming victory for Wesleyan in 1927 was the 58 to 0 win over Broadus College. In this game the Methodists displayed superior strength in every phase of the game, scoring almost at will, in spite of the fighting qualities of the game little Baptists.

Just as the win over Broadus was the greatest win of the year for Wesleyan as far as score was concerned, so was the next game the worst defeat of the year. In this game the Bobcats failed to get going, and St. Xavier took their annual homecoming game at Cincinnati, from Wesleyan by a score of 41 to 6.

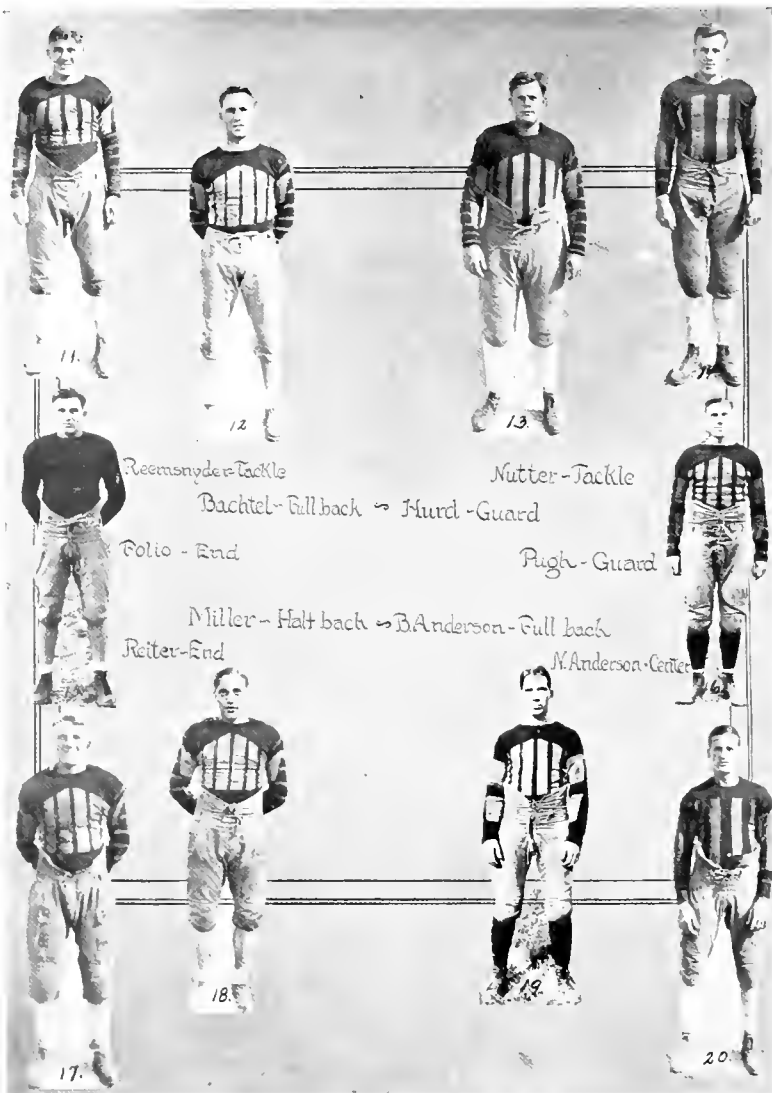

The last game of the season was the Turkey Day game against Marshall College. The Green and White had had a very successful season, and were very confident of victory, but the Rossmen journeyed to Huntington with a firm determination to return winners, and they were not disappointed. Wesleyan defeated Marshall 19 to 0 before a packed stadium.

Thus ended the 1927 season for the Wesleyan Bobcats. It was not very successful, but with that true Wesleyan spirit the squad will start out next year with a determination to avenge this year's defeats, and they will know that the best wishes of everyone connected with Wesleyan go with them.

NINETEEN TWENTY-NINE

Wesleyan Basketball, 1928

Seven victories and fourteen defeats was the record of the 1928 West Virginia Wesleyan basketball team. A record none too good as to cause over-enjoyment, but a record of which they are justly proud. Led by the spectacular Mickey McClung, the Bobcats faced a hard twenty-one game schedule. The season opened with a 47 to 19 victory over Broaddus College on the home floor early in January. This was a good start but it took the ancient foe from Morgantown to dampen the spirits with a 36 to 26 defeat, a few nights later. A thrilling 34 to 28 win over Glenville Normal a week later made things take on a brighter light, but this was short lived as Marshall started the Bobcats on a long losing streak when they toppled them here at Buckhannon 26 to 17.

Four straight defeats followed the Marshall downfall. The Archdeacon's of Grafton, West Virginia University, Waynesburg, and Salem took the scalp of the Orange. The Graftonites opened the semester by trimming Wesleyan 37 to 30. A two day trip to Morgantown and Waynesburg, found the Bobcats losing their second tilt to the Mountaineers 43 to 34, and falling before the Yellow Jackets 24 to 17. A return to the Bobcat lair was not enough to cause them to take the game from Salem College, for the Ten Milers were "hot" and won 44 to 23.

Bethany College then came to Buckhannon, and permitted the Bobcats to break their long losing streak, when Wesleyan won in a beautiful last minute spurt that brought victory.

Cebe Ross then took his passers into the Panhandle for a three game series. Wesleyan lost to the Frankel Union five of Wheeling the first night 64 to 47. Bethany got revenge for their loss of the previous week and sunk the visitors' hopes with a 42 to 21 victory. Coming back to Fairmont on Saturday evening the Wesleyanites lost the third straight game 54 to 31.

On Washington's birthday the Bobcats succumbed to the Hurricane at Clarksburg in a game that lacked the old time thrill so evident when Wesleyan and D. and E. play. Again, a two day trip saw us losing another pair of games. The strong Charleston Senators of the capitol city took the Wesleyan men over 45 to 41, while Marshall College, playing at her best, was a bit too strong for the Bobcats and they lost their second game to the Big Green. Victory was a sweet thing to the Bobcats, but still Lady Luck refused to smile on her and Wesleyan was defeated again 40 to 35 at Salem. Glenville was the next foe and fans from every section of Upshur and Gilmer counties packed in the Bobcat gym to see the Orange humble the Glenville quintet 39 to 32.

Then at the climax of the season Wesleyan nosed out the Scarlet Hurricane on the Elkins floor 33-32. Two more victories followed in short order. Broaddus took her second licking 30 to 19, and Fairmont Normal fell at Buckhannon 25 to 52.

On the eve of the Fifteenth Annual Tournament, four thousand fans packed the Bobcat gym, only to see the giants from Elkins trim the Rossmen in a real game from start to finish. It was a great opening for the high school classic, and ended the Wesleyan court season for 1928.

THE MURMURMONTIS

Tennis Team, 1927

The Tennis Squad for 1927 was an all-veteran aggregation, bolstered up by the return of two former men who were away from Wesleyan for a year and returned. These gentlemen were Cobourn and Westfall. The feature of the season was an eastern trip on which the team played some of the leading universities of the East.

The outlook for the coming season is very bright, the team still having four letter men, about which to build a combination worthy of the state championship as in the past year. Last season's letter men were Gene Modlin, John Haught, Fred Haught, Frank Sigafoose, A. W. Ritzinger, John Cobourn and D. F. Westfall, Captain.

The Varsity Tournament was an added attraction after the season closed. The finals were held on the afternoon of Commencement day between Modlin and Westfall in which the latter won in a five set match.

The season's record was very satisfactory. Wesleyan winning two matches from Salem and Davis Elkins and one from Geneva. They lost one match to Geneva, one to Duquesne, one to Johns Hopkins and one to Catholic University. A match with Georgetown University was called on account of rain when the score was 2-2 in matches.

Intra-Mural Athletics

The Intra-Mural athletic program has as its aim the participation of a great number of the student body in active competition. This past year has been one of experimentation with a co-ordinated program. The scope of the program has been limited to those events which could be well organized. The program was divided into Fall, Winter, and Spring sports. Each sport was given a set number of points, based on the comparative importance of the event, and each class received a certain number of points, proportionate to its final standing.

One of the most interesting events was the Basketball League for men. Two leagues, class "A" and "B", were played. After a very close, and exciting series of games, the Juniors were declared the champions in both leagues.

Dr. Wark is presenting a trophy to the class having the largest number of points. This will be a yearly trophy and well worthy of real competition. It is also planned to award individual prizes to the winners.

The program of sports, as played, was as follows:

<i>Fall</i>	<i>Winter</i>	<i>Spring</i>
Touch Football	Basketball (Men)	Tennis
Field Hockey	Basketball (Women)	Track (Men)
Soccer	Foul Shooting	Track (Women)
	Swimming	Baseball
	Volley Ball (Men)	
	Volley Ball (Women)	
	Indoor Baseball	

The standing of the classes at the close of the basketball season gave the Freshmen, first place; the Juniors, second place; the Seniors, third; and the Sophomores, last.

THE MURMURMONTIS

Girls' Athletics

Each year girls' athletics, under the able supervision of Miss Alice Nason, are becoming more popular and better organized. Heretofore, there have been no inter-collegiate games between the girls of the different colleges, but the adoption of inter-class sports for the girls has created a desirable form of exercise, and shows the department is keeping abreast with the tendencies of modern times.

The Girls' Athletic Board has not been active this year, due to the fact that Intra-Mural activities were in complete charge of the Intra-Mural Athletic Board which is made up of the four class presidents, a girl representative from each class, and the athletic directors, Mr. Simons and Miss Nason. The girl representatives are as follows: Annis Ross, Senior; Eva Swisher, Junior; Ruth Cunningham, Sophomore, and Genevieve Caudy, Freshman.

The interest in basketball was centered around the class teams for the first part of the season. The final matches had not been played when the year book went to press, but from the way the Freshmen team played it looked like they would be the champions of the year. After the final class games are played, a team from each sorority will play in a basketball tournament. The basketball managers were as follows: Virginia Caudy, Senior; Maxine Thacker, Junior; Mrs. Shumaker, Sophomore, and Roberta Peterson, Freshman.

A full program was carried out the first semester which included besides basketball: hockey, volley ball, soccer, rhythms, and swimming. Quite a bit of interest was shown in the extra-curricular activities this year as each physical education student had to elect an Intra-Mural sport for one of her regular class periods.

Plans are under way for an interesting program the second semester. A tennis tournament will be played off before spring. Swimming and hiking will enter into the program. Track will be introduced and one afternoon will be given over to a track meet, which will include such events as a basketball throw, rolling pin throw, relay races, and dashes.

Miss Nason is planning a stunt day contest for the physical education classes in the spring. The exhibition will be a display of the work done in the gymnasium classes during the year. There will be two groups, thus causing rivalry for first places in the various events.

Wesleyan Forensic Association

The Wesleyan Forensic Association has had a very successful year. Before the opening of the debate season, the Association had a very enjoyable banquet at Crowley's Inn, where a plan was put under way to make the association a debating fraternity which would be a national organization and would undoubtedly advance the program of forensic activities in Wesleyan in a very satisfactory manner.

The debate season was a decided success. The teams won four out of five debates, losing to Marshall here for the one defeat of the season, but winning from Concord, Morris, Harvey, and Broadbudd.

Frank Hutchinson again won the state Oratorical Contest making Wesleyan rank high in the oratorical record of the state.

The Wesleyan Pharos

The same general policies that have determined the publication of the Pharos in the past have been adhered to by the staff in the planning of each issue during the year. The staff has endeavored to increase the paper's service to the school, at the same time aiming to maintain the high standard of last year's paper in the matter of news story structure and style, and variety and importance of articles.

The seventh annual convention of the Inter-Collegiate Press Association of West Virginia was held at Wesleyan College on January 13-14 under the auspices of the Pharos. In the judging of last year's papers, the Pharos was rated third best among college publications of the state. The convention was largely attended and the interchange of ideas gave members of the staff a broader knowledge of practical journalism.

The Pharos has a circulation of 1800. It is sent to the alumni and they evince a keen interest in the paper, often writing letters for publication. The exchange list has grown steadily and now includes thirty-two states.

A special edition was gotten out on the occasion of the fifteenth annual state high school basketball tournament. This edition appeared in tabloid form and contained write-ups of every game played, with the all-tournament teams and other news connected with the tournament.

The high financial standing of the paper has been maintained

Benzene Ring

From the time of its origin in the department of Chemistry six years ago the Benzene Ring has been one of the strongest and most productive organizations on the Wesleyan Campus.

Beginning as a Chemistry Club it soon became interested in the related sciences. Other departments entered to strengthen the organization. And now it is the sole extra-curricular representative of the School of Sciences of Wesleyan College.

Its purpose may be understood from a review of its activities. During the past year several industrial trips have been made to nearby cities, speakers of ability have appeared before the Ring and interesting discussions have been held and experiments performed by its members at various meetings. Notable among the speakers was Mr. Perkins Boynton, Chief Chemist of the Clarksburg Water Board of Clarksburg, West Va. Mr. Boynton delivered an excellent paper on "What Price Water Purification."

While science organizations are usually considered serious organizations the Benzene Ring believes in having a downright good time occasionally.

Colorful, combustive and reactive initiations of new members are held at the beginning of each semester. An initiation banquet is usually tendered the new members.

Second semester plans of the Ring include an open experimental meeting in Atkinson Chapel during the month of February, industrial trips to Weston, Clarksburg, Charleston and Grafton. Several speakers are scheduled to appear at meetings this semester.

Student Council

The Student Representative Council is of great importance in the college because of its direct interest in other organizations. It is the Board of Appeals, and directs the student life. It acts as a medium through which the faculty or administration of the college and the students may co-operate with each other.

The code of Freshman rules as drawn up by a committee composed of the Council and a group of the faculty in 1925-26 has been carried out in the past two years and has been found to be very satisfactory.

A student service stand is maintained in the hall of the Administration building by the council, the profits of which are used in the interests of the Student Body. The point system, by which the council awards the Wesleyan honor insignia has been revised during the year.

The Student Council has attained success in the past, and hopes to undertake more difficult and varied projects in the future which will make for the betterment of the school.

Chresto-Excelsior Literary Society

Last year marked the union of the Chrestomathean and Excelsior Literary societies into one. The union was a venture which proved successful. The combination has had a very successful and colorful year due to the untiring efforts of the Presidents and the splendid cabinet. No less noteworthy is the leadership of Professor Staats, Advisor.

There is a promising future for the Chresto-Excelsior Literary Society and an honest effort will be made to reach the objective now pursued.

Men's Glee Club

The Men's Glee Club opened its season of rehearsals during the month of October with a definite program of study and work, involving the acquisition of, and perfection in, the principles of good ensemble singing and performance.

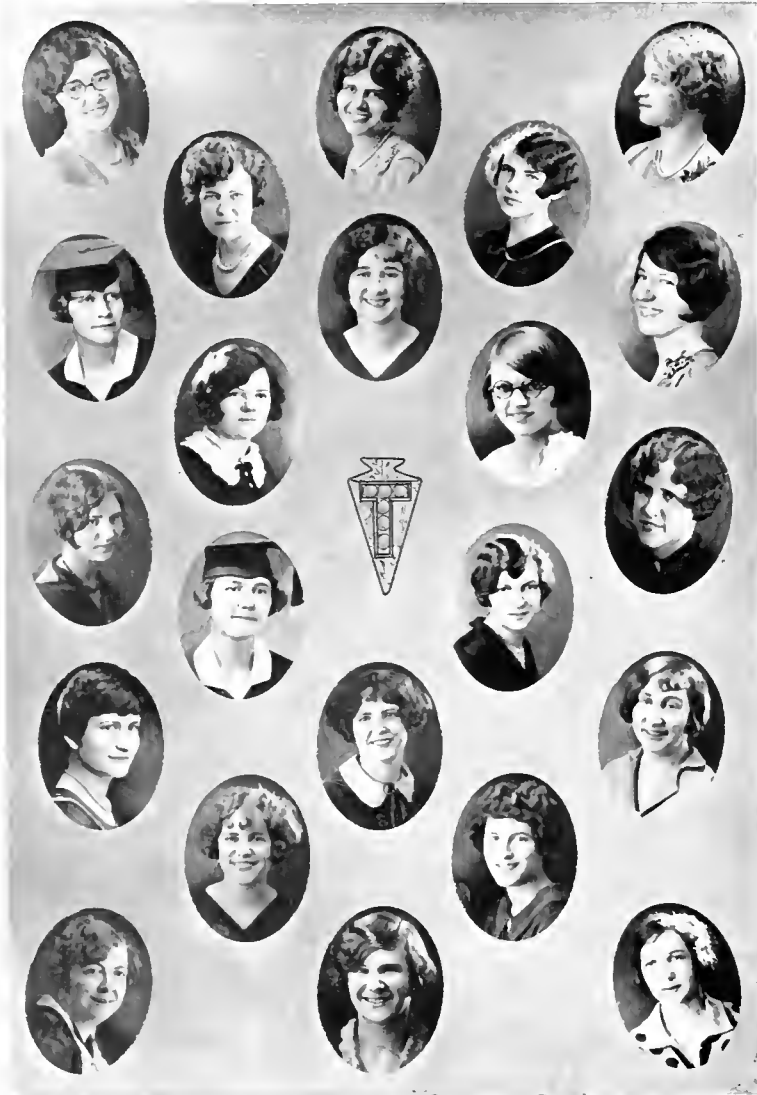

The results of its efforts will bear fruit in the coming presentation of the opera "Chimes of Normandy" and in the work of the Wesleyan Choir which will become, through the merging of the two Glee Clubs, an active organization during the coming year.

The "Chimes of Normandy" is a very interesting work of the Comic Opera style and its performance is a forerunner of equally good works scheduled for the future.

Commendations and appreciation is due these students who have had faith in the future and have made the sacrifice necessary for the realization of such a program.

Tallagewe Association

The Wesleyan Chapter of the National Tallagewe Association first functioned as a club, but on May 7, 1927, it was formally taken into the National Tallagewe Association. Tallagewe claims the honor of being the first national organization on the campus. We owe this honor to the efforts of Dean Rachel Ogden, honorary Member, and Professor Clara Fishpaugh, faculty advisor.

Tallagewe has had several social events during the year, all of which have been successful. The project for the year was the planting of rambler roses around the fence surrounding the athletic field.

Tallagewe fosters a democratic and altruistic spirit among all college women.

Kappa Lambda Sigma

The Kappa Lambda Sigma fraternity was organized in 1923. It was formerly known as the Cutshall Literary Society, but has since been re-organized into an honorary fraternity. It was founded by Wesleyan male students, possessed of high scholastic standing, and literary ambitions. From those of a like type it elects to choose its members. The maximum membership of the fraternity is limited to thirty. Meetings are held each Friday evening.

The Kappa Lambda Sigma is a purely literary organization, devoting its time to the study of ancient and modern literature, classics, and drama. It has and will continue to add greatly to the cultural life of its members.

Y. M. C. A.

The first feature of the Y. M. C. A. this year was the dedication of the new Association room, on October 12th. The former Excelsior Literary Hall, which was secured last year, was papered, and furnished with rockers, davenport, and settees, making a cozy, home-like rest room, open to the young men of Wesleyan at all times.

The Tenth Quadrennial Convention of the Student Volunteer Movement was held at Detroit from December 28th to January 1st. Wesleyan was represented at this convention by three members of the Association, attending as delegates, as well as by two members of the college faculty. As an outgrowth of Convention a World Fellowship Chairman has been added to the committees of the Association.

The lyceum course this year, following the slogan "fewer and better numbers," brought to Wesleyan the most expensive program ever offered here. The course consisted of four high class numbers as follows:

- Lowell Patton and His Artists
- Louise Stallings—Mezzo Soprano
- Drinkwater's, "Abraham Lincoln"
- Lorado Taft—Famous Sculptor

The most distinctive change in the work of the Association this year has been the development of a wider interest in world affairs. To this end, efforts are being made to bring about co-operation with the Middle Atlantic Field Council of the Y. M. C. A. It is hoped that this ideal may be fully realized in the coming year.

The Young Women's Christian Association supplies, in a large measure, the spiritual side of the girl's life while at Wesleyan. It affords an opportunity for all the girls to gather once a week and discuss topics of interest to all. These meetings develop higher spiritual ideals and a better and more lasting friendship among the girls.

The past year has been a very successful one. This organization has aided their sister college, Hwa-Non College, Foochow, China, financially and they have done some deputation work in rural communities of this vicinity. It is the desire of every loyal member to promote interest in the association and make it just as successful in the future.

The Philosophy Club was organized to fulfill the desire of many students to hear and take part in discussions of philosophical and speculative problems. The club, promoted by Professor Albion R. King was started in November of this school year with forty charter members.

Since that time regular monthly meetings have been held, at which papers on important questions have been presented by the faculty members. Following the speaker's presentation the meetings have been thrown open for questions and forum discussion. In March the society held its first annual banquet with Dr. Cunningham of West Virginia University as the principal speaker.

The large attendance of both faculty and students at the meetings predicts a successful future for the club.

Wesleyan Players

The Wesleyan Players was organized on the campus in 1922 by Miss Mildred Little, head of the department of Expression at that time, with the twelve members of the cast of "The Piper" as the charter members. Since then the club has been steadily growing and at the present time has a membership of thirty-eight, including the alumni.

It is the purpose of the club to promote dramatics at Wesleyan.

This year the organization is under the direction of Professor L. C. Staats, head of the department of Public Speaking and Expression.

The membership of this club is of two kinds: active and honorary. Membership requires a recommendation by the director; a major or leading role in one big production or a minor part in two separate plays, when a student has written a one-act play which has been performed under the direction of a player.

It is the custom of the organization to present three major productions during the year. This year the Wesleyan Players have sponsored two plays. By the precedent of a student production, which was recently established, "Sun-up" by Lulu Vollmer, was successfully directed by Percy Ross. The second play was "Peg O' My Heart" by J. Hartley Manners, under the personal direction of Professor Staats, to whom no little degree of credit is given for his successful production.

The players spend much time and consideration on the plays they produce and the type presented are of the best possible character.

The Haught Literary Club was organized in 1924 as a medium through which Wesleyan women can be recognized for literary attainment and by which their intellectual interests may be cultivated and promoted. Its membership is limited to sixteen active members. The purpose of the club is to formalize the proceeding of its meetings but by meeting the ever-growing literary trend through readings and reviews of the drama, poetry, fiction and non-fiction, and by increased acquaintance with the accepted classics, to create the literary appreciation that shall be an asset to the cultural life of women.

The leading social events of the year were a Saint Patrick's Day dance; a bridge-luncheon in honor of all other sorority officers; a bridge party given by our patronesses at the home of Mrs. Frank Latham; and a formal ball given in the early spring.

Much of this year's success is due to our advisor, Miss Eleanore Hancher, and our house mother, Miss Alma McCauley. With a much increased membership, the outlook for next year is very promising.

The Sigma Eta Delta Fraternity was the second fraternity on Wesleyan's campus. Its charter was granted on October 20, 1925, with seven charter members.

For the past two years the fraternity resided on College Avenue, but with the opening of school in the fall of 1927, the members moved to a new home on Florida Street.

This fraternity was organized for the purpose of bringing a limited number of men together for mutual benefit and enjoyment. This it has done, for during the past year several enjoyable parties, including a formal dance, were given.

The membership is smaller than usual this year, because of the loss of several members by graduation.

The social activities of the year culminated in a formal which was given in May.

Immediately following the action of the school admitting fraternities to the campus, the Alpha Gamma Phi was organized, and with the opening of the second semester of 1926 the group moved into its present residence on Florida Street.

The wise counsel of Professor Nicholas Hyma, our faculty advisor, has guided the growth of the fraternity, which aims to draw together in a bond of brotherhood a group of representative students of earnest intentions. Mrs. Fred I. Williams, by her many thoughtful deeds and motherly kindness, has truly become the mother of Alpha Gamma Phi. She has won a place in the heart of every member.

The members of the fraternity have always been interested in school activities, having held some of the highest places of responsibility on the campus, represented the school in every phase of athletics, and at all times maintained a high standard of scholarship.

Social activities have not been lacking. Each year formal and informal functions of the highest type have been sponsored by the fraternity.

The fall rushing, which brought the membership up to the limit, was successful in that the new men show promise of carrying on the high ideals set by the founders and their successors.

Come to Spalding's— Athletic Headquarters

Buy only Spalding equipment and know what every seasoned sportsman knows—that your golf clubs can shoot a ball straight, far and true. That your tennis balls are those used officially in national championship tournaments. That your football is the one ball used in all the important contests. That your sweater will wear year after year and give perfect comfort and fit. That your game won't suffer because of equipment that is short of Spalding perfection.

¶ For Sixteen Years we have striven to Earn and Hold a Distinctive Standard of Real Quality in the Production of School Annuals.

¶ Every Product is one of Outstanding Merit. We decline to lower our Standard to meet Price Considerations. Not How Cheap but How Fine in Quality is the Zieg-Co production principle.

¶ We are quite content to be judged by this book, produced in every detail in our Complete Plant—composed, printed and bound.
